Introduction

The 35th ASCIA Annual Conference is being held from Tuesday 2 to Friday 5 September 2025 at the Brisbane Convention and Exhibition Centre. **To register and submit abstracts go to <https://ascia2025.com/>**

This is a hybrid conference, which enables virtual registration for delegates who cannot attend in-person, and on-demand viewing of sessions for all registered delegates after the conference.

The ASCIA 2025 Conference main program will feature current allergy and clinical immunology issues and research presented by more than 60 speakers (including international experts) on a range of topics:

- Food Allergy (ASCIA-CFAR Day) on Wednesday 3 September
- Urticaria, Angioedema, Drug, Insect and Respiratory Allergy on Thursday 4 September
- Immunodeficiency and Autoimmunity on Friday 5 September

The program on Tuesday 2 September will focus on research and clinical cases in a series of short presentations:

- AIFA Research Symposium presented by 2023 AIFA grant recipients
- Clinical Grand Round cases presented by advanced immunology/allergy trainees
- NACE Hot Publications in drug, insect and respiratory allergy research
- Selected poster presentations

Concurrent sessions that cater to delegates with a range of interests will run from Wednesday to Friday:

- Immunopathology Update for Scientists and Immunopathologists on Wednesday 3 September
- Immunodeficiency Update for Nurses on Thursday 4 September
- Allergy Update for Dietitians on Thursday 4 September
- Allergy Update for Nurses on Friday 5 September
- Allergy Course for Dietitians on Friday 5 September (in person only)
- Allergy Update for Medical Practitioners on Friday 5 September
- Sponsored sessions held after breakfast and lunch breaks each day

The following meetings will be held during the ASCIA 2025 Conference week but require a separate registration:

- Clinical Immunogenomics Research Consortium Australasia (CIRCA) Symposium - Monday 1 September 2025
- Mental Health Training for Allergy Health Professionals Workshop (in person only) on Monday 1 September 2025. To register go to <https://www.trybooking.com/DBNMT>

The ASCIA 2025 Conference will provide an international standard of CPD for ASCIA members and other health professionals working in allergy and clinical immunology. It also provides an opportunity for important in-person interactions. Social events include the Welcome Function, Gala Dinner and Closing Function.

We look forward to your involvement.

A/Professor Alberto Pinzon-Charry Dr Michael O'Sullivan Jill Smith
