1. Z cards

- Developed to help advocate for patients whilst they are in hospital.
- The Z card fits in your wallet like a credit card and folds out to reveal key information about the patient, including diagnosis, medication prescribed and details of treating physician.
- For integrity reasons, the Z card is to be filled in by the patient's treating physician or clinical nurse.
- Z cards can be requested by emailing info@auspips.org.au with a contact name and address. AusPIPS will then send you an email acknowledging receipt and will let you know that the Z cards have been sent.

2. About Ig Brochure

- Available in English, Auslan, Chinese, Greek, Hindi, Italian, Samoan and Vietnamese.
- This brochure has been developed by AusPIPS, reviewed by our medical and scientific advisory panel, and endorsed by four other organisations supporting patients on IgRT: IDFA, IDFNZ, Myasthenia Alliance Australia and Myeloma Australia.
- Supported by an unrestricted education grant from CSL Behring Australia.
- The brochure can be accessed and downloaded at <https://www.auspips.org.au/about-immunoglobulin-ig-brochure>

3. Patient support

AusPIPS can be contacted in a number of ways:

- Phone - +61 499 040 293
- Email - info@auspips.org.au
- Facebook - AusPIPS have their own facebook as well as a private group for patients (https://www.facebook.com/auspips/about/?ref=page_internal). Patients can request admission to the group. Moderators will then assess the patients request and admit patient to the group. The moderators reserve the right to decline a patients request if the information provided does not suggest the patient has a primary immunodeficiency.
- Contact forum on our website - <https://www.auspips.org.au/>
