

Become an IDFA Member today!

Are you looking for a supportive community of people who understand life with an immunodeficiency?

IDFA membership is FREE for patients living with a confirmed diagnosis of a PID or SID, their carers and healthcare professionals.*

When you become an IDFA member you have access to:

- Resources (e-resources and hard copy)
- Patient meetings and conferences (in-person and online)
- Webinars
- Member support (for patients and carers)
- Closed Facebook groups (for patients and carers)
- Patient linking - connect with others who have a similar PID/SID
- Member get-togethers supported by IDFA
- Educational programs
- Peer support programs
- Guidance on accessing NDIS and Centrelink services
- Guidance from our Medical Advisory Panel
- A wider network of medical allied healthcare professionals, researchers and medical experts through IDFA's relationships within the medical community.

*Membership is available to Australian residents only.
