

Medical professionals can join the IDFNZ network for Free; connect with the PI patient community, keep up to date with patient-friendly resources, events and free resources designed to assist patient care. An opportunity to share your knowledge with patients through IDFNZ seminars and editorials. IDFNZ supports medical professional PI events by providing free resources and speakers; we are committed to increasing awareness of PI and promoting the early warning signs.

Register your PI patients with IDFNZ - membership is Free and provides direct access to a wide range of benefits to complement their medical care:

- Providing patient-friendly information, regular newsletters, updates, and medical diaries.
- In Person support from IDFNZ staff for advice, information, and advocacy.
- Connecting with other PI patients for mutual sharing and self-support.
- Free attendance to IDFNZ patient conferences and events.
- Respite breaks in our holiday homes across New Zealand.
- IDFNZ also supports patient members with **Free medical devices and equipment**, including:
 - ✓ EpiPens
 - ✓ Buzzy pain relief devices
 - ✓ SCIg pumps
 - ✓ Courier delivery of SCIg home treatment supplies from local hospitals
 - ✓ SCIg medical fridges for home treatment
 - ✓ SCIg cooler bags
 - ✓ Contactless thermometers
 - ✓ Covid-19 Home care packs
 - ✓ St Johns ambulance membership
 - ✓ Medical ID bracelets
 - ✓ Other medical equipment requests will be considered
 - ✓ A wide range of patient information resources online, and free ordering of printed copies.
